

English Teacher Professional Development - Extended Learning

On 12th November, 2020, Jason Hemsted, who is our Advisory Teacher from EDB Native-speaking Teacher Section, was invited to hold an English Teacher Professional Development workshop with our NET teacher, Mr. Brousseau. The workshop was themed 'Extended Learning' and various experiential learning activities were suggested and shared.

👉 Mr. Hemsted and Mr. Brousseau were sharing some innovative teaching ways with our teachers. We learnt a lot from them!

👉 Principal Leung and Vice Principal Wong joined our workshop too.

👉 Teachers were having collaborative lesson preparation with our NET teacher.
