2019-2020 NET and ELTA's Corner

Our NET and ELTA

We played various games with Mr. Brousseau (NET) and Ms. Tara (ELTA). We loved the games and enjoyed the fun time spending together!

Principal Leung enjoys talking with our adorable students. By talking to the Principal and teachers in English, students can get a game ticket to the English room at recess!

Under the help of Mr. Brousseau, Ms. Tara and the English ambassadors, the students can really enjoy the fun games with schoolmates!
